STUDY IN SWEDEN

A photograph of four young adults in conversation. On the left, a Black woman with braided hair and large hoop earrings is seen in profile, wearing a black turtleneck. Next to her is a man with short dark hair and glasses, wearing a black turtleneck and a dark jacket. In the center, a woman wearing a pink hijab and a grey jacket is seen from the back. On the right, an Asian man with short dark hair is wearing a grey scarf and a brown jacket. They are all looking towards the center, engaged in a conversation. The background is a soft-focus outdoor setting with trees.

I now speak Swedish very well, and most of it I learnt from working with my Swedish colleagues. So it helped me to integrate into society.”
